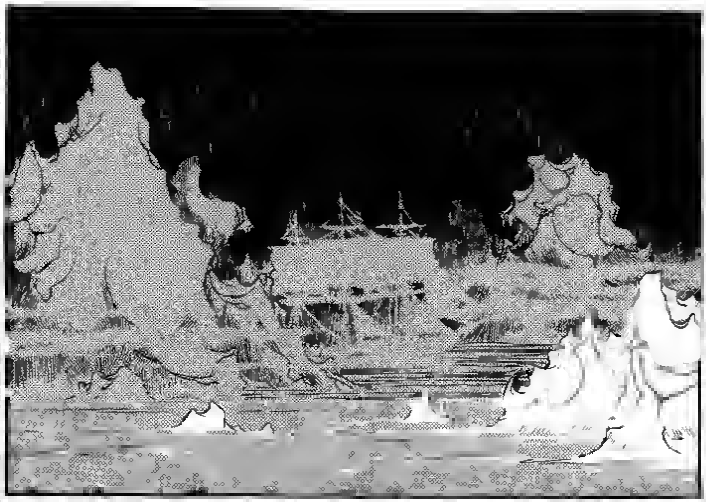
AYE, THAR SHE BLOWS! THE LIFE BREATH OF THE GREATEST LEVIATHAN, GRANDEST CREATURE ON EARTH! MAN HAS CONTEMPLATED THE MYSTERIOUS WHALE SINCE HE FIRST VENTURED UPON THE DEEP, AND HUNTED HIM ALMOST AS LONG. IT IS MEN AND THE WHALES THAT I WOULD SPEAK, SO OF..
The HONOUR & GLORY of WHALING

CALL ME **FISHMAEL**! I BEEN AROUND SINCE THE DAYS OF **WOODEN SHIPS** AND **IRON MEN**! SEEMS LIKE NOWADAYS IT'S THE **OTHER WAY AROUND**, IF YE KETCH MY **DRIFT**! TALES OF MEN AND WHALES GO **WAY BACK**, A LOT FUTHER'N **ME**! THE EARLIEST **LITERATURE** ON THE SUBJECT IS THIS HERE **OLD BOOK**, WHAT TELLS OF THE **NORSE HEROS** AWHALING WHEN ROME WAS **NEW**! STORIES OF HEROIC ENCOUNTERS WITH HORRIBLE MONSTERS OF THE DEEP WERE **ANCIENT** BEFORE THESE **YOUNG BUCKS** EVER MADE THE **SCENE**.. THE NATIVE PEOPLES OF THE EAST AND WEST COASTS OF NORTH AMERICA HAD PROBABLY BEEN WHALING FOR **THOUSANDS OF YEARS**, BY THE TIME THE EUROPEANS SHOWED UP WITH **CULTURE**.. WHALING MUST'VE BEEN AS IMPORTANT AS A **POWER QUEST** AS IT WAS ECONOMICALLY.. I MEAN, WHO'S GONNA FOOL AROUND WITH A GUY WHO JUST KILLED A **SEA MONSTER** WITH A **STONE AXE**?

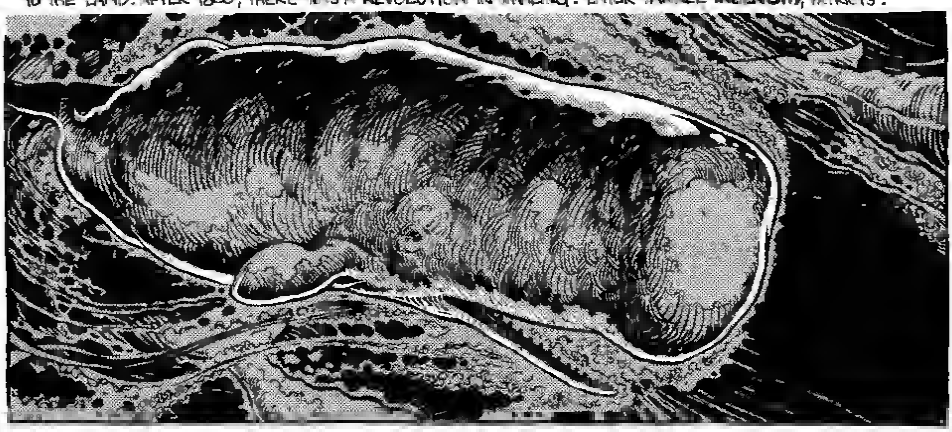
.. AND SO, FOR HUNDREDS OF YEARS. WHEREVER THERE WAS **WHALES** THERE WAS SCRAGGLY HEROS IN OPEN BOATS LOOKIN' FOR **ACTION**. MANY COASTAL COMMUNITIES HAD WHALING-BASED ECONOMIES, BUT IT WASN'T 'TILL THE 12TH CENTURY THAT ANYTHING LIKE AN **INDUSTRY** DEVELOPED. THE BASQUES HAD A GOOD THING GOING WITH THE **RIGHT WHALES** THAT MIGRATED ALONG THEIR SHORES. THE RIGHTS WERE SLOW AND EASY TO KILL, SO FIRST THING Y'KNOW, THE BASQUES ARE IN IT **BIGTIME**. THEY DEVELOPED TECHNIQUES THAT BECAME THE BASIS FOR THE EUROPEAN WHALING INDUSTRY THAT WAS TO FOLLOW. THE BASQUES GOT SO GOOD AT THE TRADE, IN FACT, THAT THE RIGHT WHALES BEGAN TO **DISAPPEAR** FROM THE BAY OF BISCAY. BY NOW, THE BASQUE SEAFARERS WERE INTO IT **HEAVY**. THEY BUILT **LARGER BOATS** AND PURSUED THEIR PREY INTO THE **ATLANTIC**.

THE COASTS OF FRANCE AND SPAIN WERE NOT THE ONLY ONES VISITED BY MIGRATING WHALES. THE **JAPANESE** WERE ON TO THE WHALES AND SNARED THEM WITH NETS, THEN KILLED THEM WITH LANCES AND BLADES. AS IN EUROPE, A MARKET BEGAN TO APPEAR FOR THE PRODUCTS OF THE WHALING INDUSTRY, AND AS IN EUROPE, THE WHALERS HAD TO GO FARTHER AND FARTHER ABROAD TO SATISFY IT.

IN EUROPE, WHALING BECAME AN IMPORTANT INDUSTRY FOR EVERY MARITIME NATION. THE DUTCH WERE FOREMOST. BY TH 18TH CENTURY OVER 400 DUTCH VESSELS WAS PURSUING THE RIGHT, GREENLAND AND BOWHEAD WHALE INTO THE NORTH ATLANTIC. THE ENGISH WAS NO SLACKERS, EITHER, WITH A FLEET THAT GREW FROM 20 TO 250 BETWEEN 1750 and 1788. THE NORTH ATLANTIC GROUNDS WERE **PICKED CLEAN** PRETTY **FAST** THE WHALERS MOVED **NORTH** INTO THE **ARCTIC**. AS THE **WHALES DISAPPEARED** IN THE MORE SOUTHERLY REGIONS, THESE **HARDY LADS** FOLLOWED THE **SURVIVORS** INTO THE **REMOTEST ARCTIC WASTES**. RIGHT, GREENLAND, &D BOWHEAD WHALES WERE KILLED BY THE **10's OF THOUSANDS**. THEIR NUMBERS WERE SO DEPLETED THAT BY THE BEGINNING OF THE 19TH CENTURY IT WAS **UNECONOMICAL** TO CONTINUE THE HUNT.



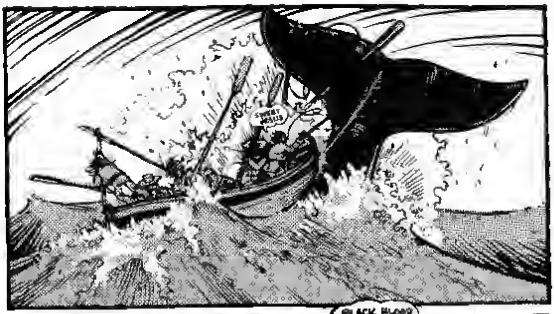
THE **BOOM** WAS **OVER**. WHALING CONTINUED, BUT THE ARCTIC FISHERY HAD **COLLAPSED**. BESIDES THE SCARCITY OF WHALES, THE **SEVERE CONDITIONS** OF ARCTIC WHALING LIMITED VOYAGES TO THE SUMMER MONTHS. EVEN THEN, THE VOYAGES WERE SHORT. THE WHALES HAD TO BE **TOWED TO SHORE STATIONS** TO BE PROCESSED INTO **OIL**. IT WAS A SLOW BUSINESS. THESE OFFSHORE WHALERS COULD HAVE SAILED INTO THE **SOUTHERN** LATITUDES WHERE THEY KNEW THERE WERE MORE WHALES TO BE KILLED. **BIGGER** WHALES WITH **OIL** TO BE TAKEN. THE PROBLEM WAS THE DIFFICULTY &D EXPENSE OF SETTING UP SHORE STATIONS ON UNKNOWN OR HOSTILE COASTS. AND THESE WHALERS WERE BOUND TO THE LAND. AFTER 1850, THERE [illegible] REVOLUTION IN WHALING. [illegible]

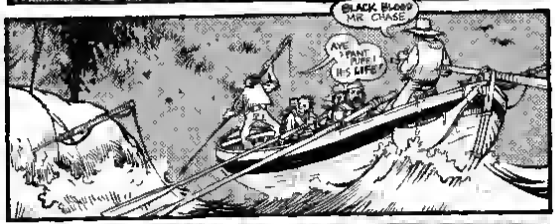


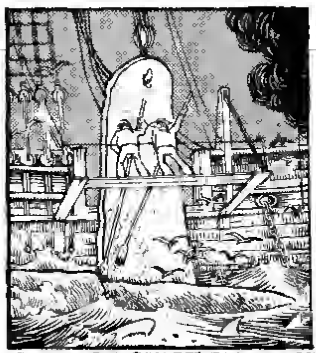
THE AMERICANS HAD BEEN WHALING SINCE COLONIAL TIMES, BUT IT WASN'T TILL AFTER THE REVOLUTION THAT THINGS GOT GOIN' LIKE THE EUROPEANS, THE AMERICANS HAD OPERATED FROM SHORE BASED WHALING STATIONS. THEY TOO SOON FELT THE CRUNCH OF DIMINISHING STOCKS OF WHALES AS DEMANDS FOR BONE & OIL INCREASED. THE YANKEES ROSE TO THE OCCASION. THEY DEVELOPED THE AMERICAN WHALESHIP, ONE OF THE MOST EFFICIENT KILLING MACHINES EVER DEVELOPED. BARELY 100 FEET LONG, THESE SHIPS WERE CAPABLE OF VOYAGES 'ROUND THE WORLD. THEIR EXTENDED RANGE OPENED NEW WHALING GROUNDS WHICH WERE OVEREXPLOITED AS FAST AS THEY WERE DISCOVERED. BETWEEN 1804 AND 1811 THE US FLEET RECORDED THE SLAUGHTER OF 190,000 SOUTHERN RIGHT WHALES IN THE NEWLY OPENED ANTARCTIC GROUNDS ALONE; & THAT DON'T INCLUDE THE ONES THEY DIDN'T WRITE DOWN. THE REAL PREY OF THE AMERICAN HUNTERS WAS THE SPERM WHALE. LARGER & MORE VALUABLE THAN THE RIGHT & BOWHEAD WHALES, IT WAS ALSO MORE DANGEROUS. THE SPERM WHALE RANGED WORLDWIDE, AND THE WHALERS FOLLOWED. BY 1825 THE AMERICANS WERE HUNTING IN THE FAR PACIFIC, FOLLOWING THE FAMILIAR PATTERN OF OVEREXPLOITING & THEN ABANDONING NEW GROUNDS. WHALES WERE ABUNDANT & NEW GROUNDS WERE BEING DISCOVERED EVERY YEAR. THE HUNTS WERE HIGHLY PROFITABLE, BUT IT WAS A RISKY BUSINESS. IT WAS THE CREAM OF NEW ENGLANDS MANHOOD THAT SHIPPED IN THE WHALERS OF THE FIRST QUARTER OF THE 19TH CENTURY, & BRAVE & HARDY SOULS THEY MUST HAVE BEEN.

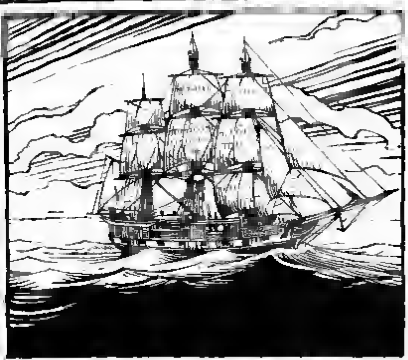
THE SHIPS CRUISED THE GROUNDS UNTIL WHALES WERE SPOTTED BY THEIR FEATHERY SPOUTS. BOATS WERE IMMEDIATELY LOWERED AND ROWED OR SAILED IN PURSUIT. THESE BOATS WERE FAST, LIGHT AND STRONG, AND WELL ENGINEERED FOR THEIR MURDEROUS PURPOSE. THE ACTUAL CAPTURE AND KILLING OF A WHALE WAS THE SAME AS IT HAD BEEN FOR A THOUSAND YEARS ... A HAND THROWN SPEAR FROM AN OPEN BOAT ONCE WITHIN RANGE. THE WHALE WAS STRUCK OR HARPOONED, AND HE USUALLY DIDN'T LIKE IT.

THE HARPOONED WHALE WOULD "SOUND" TO ESCAPE, DRAGGING THE BOAT ALONG THE WAVES. EACH TIME IT WOULD SURFACE TO BREATHE, THE BOATS WOULD CLOSE IN, FORCING IT TO DIVE BEFORE IT COULD CATCH IT'S BREATH! EVENTUALLY, EXHAUSTED, IT WOULD WALLOW IN THE SWELLS LONG ENOUGH FOR THE HARPOONER TO MAKE A STAB WITH THE LONG KILLING LANCE. IF A VITAL SPOT WAS HIT, IT WAS JUST A MATTER OF TIME BEFORE THAT WHALE WAS OIL. THE KILL WAS TICKLISH BUSINESS,.. AN ENRAGED BULL SPERM WHALE WAS JUST AS LIKELY TO CRUSH A BOAT WITH IT'S FLUKES AS IT WAS TO TURN TAIL & RUN. WHEN THE WHALE FINALLY SPOUTED CLOTTED BLOOD & TURNED "FIN OUT" IT WAS TOWED BACK TO THE SHIP TO BE "CUT IN". THIS WAS THE KEY TO THE SUCCESS OF THE AMERICAN SHIPS. ALL STAGES OF THE WHALING OPERATION WERE ACCOMPLISHED IN THE CONFINES OF A SMALL, SEAWORTHY VESSEL. THE BLUBBER WAS STRIPPED FROM THE CARCASS & BOILED OUT IN "TRY-WORKS", SPECIALLY CONSTRUCTED OVENS ON THE DECK OF THE SHIP. NOTHING WAS WASTED IN THIS BLOODY TRADE. WHALEBONE, TEETH & OIL WERE CAREFULLY STOWED BELOW. THE WHALES OWN FLESH WAS USE TO FUEL THE VERY FIRES THAT RENDERED HIM OIL. IT WAS FILTHY, DANGEROUS, BACKBREAKING WORK, & IT YEILDED HUGE PROFITS FOR THE OWNERS.

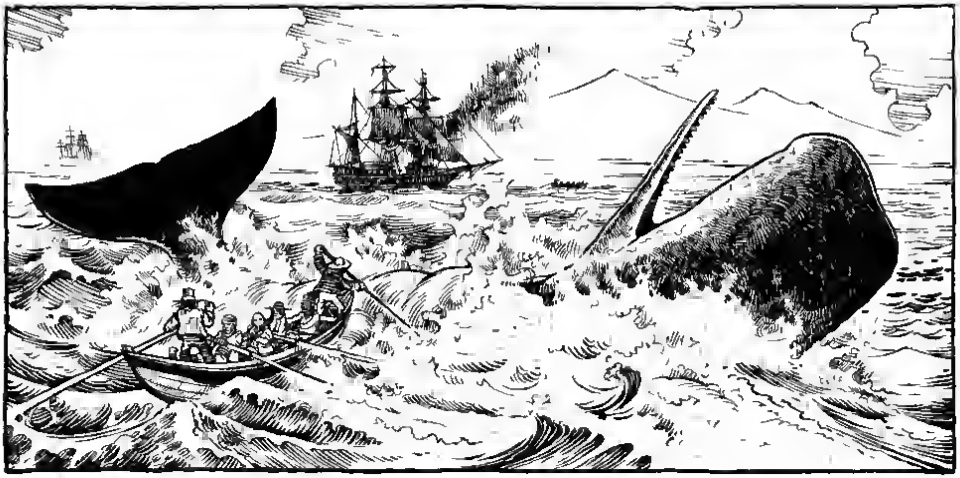


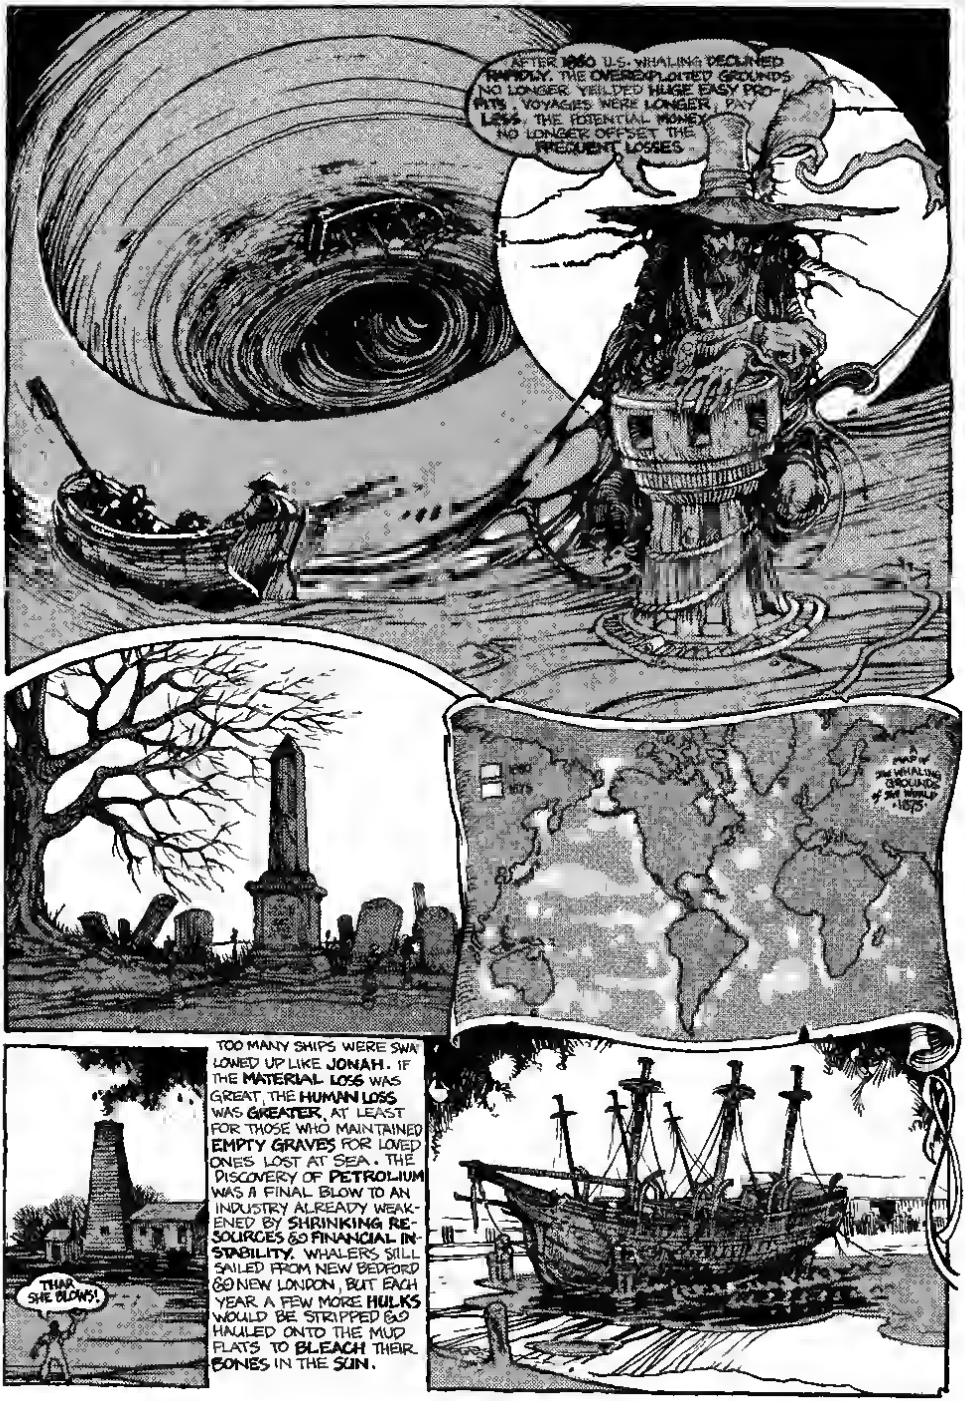






FOR SEVERAL DECADES THE WHALESHIP REPRESENTED AN APEX OF ECONOMICS & TECHNOLOGY COMBINED WITH THE SKILL & COURAGE OF THE MEN. IT WAS THE GOLDEN AGE OF WHALING. PRETTY ROMANTIC, HEY? THAT'S WHAT THE GREEN HANDS, RECRUITED FROM NEW ENGLAND'S FARMS & VILLAGES, THOUGHT FOR THE FIRST DAY OR SO. FOUR YEARS LATER, IF THEY RETURNED AT ALL, THEY SAW HOME AGAIN. THEY WEREN'T LIKELY TO BE VERY ENTHUSIASTIC ABOUT ANOTHER VOYAGE.





AFTER 1860 U.S. WHALING DECLINED RAPIDLY. THE OVEREXPLOITED GROUNDS NO LONGER YIELDED HUGE EASY PROFITS. VOYAGES WERE LONGER, PAY LESS. THE POTENTIAL MONEY NO LONGER OFFSET THE FREQUENT LOSSES.

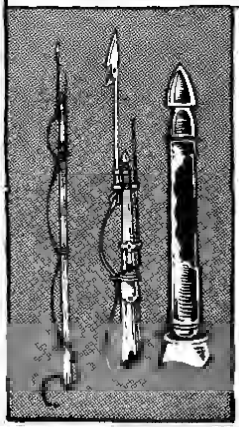
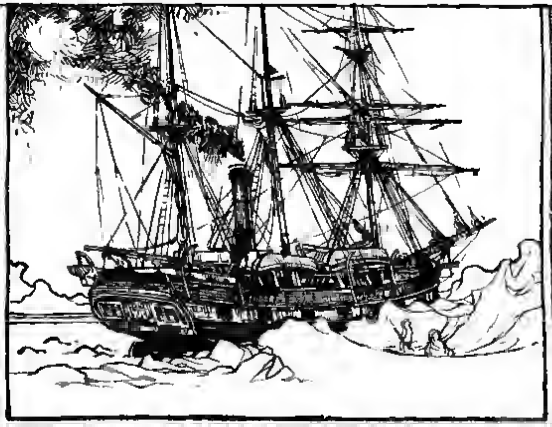
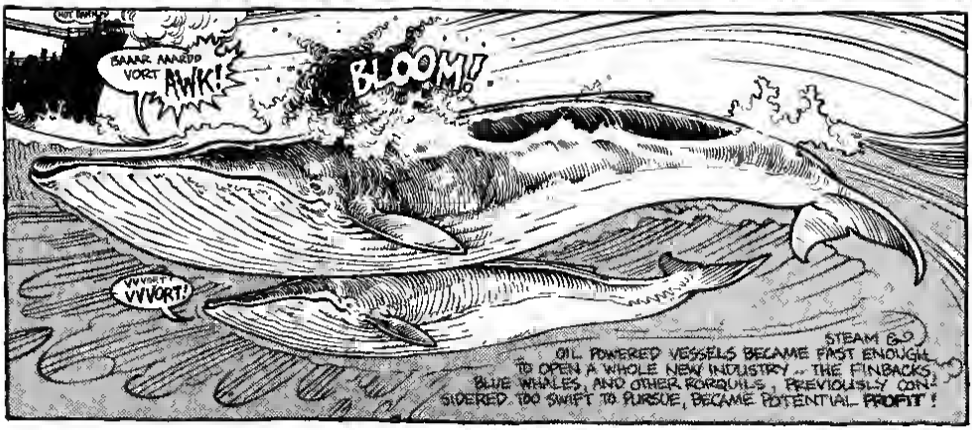
THAR SHE BLOWS!
TOO MANY SHIPS WERE SWALLOWED UP LIKE JONAH. IF THE MATERIAL LOSS WAS GREAT, THE HUMAN LOSS WAS GREATER, AT LEAST FOR THOSE WHO MAINTAINED EMPTY GRAVES FOR LOVED ONES LOST AT SEA. THE DISCOVERY OF PETROLIUM WAS A FINAL BLOW TO AN INDUSTRY ALREADY WEAKENED BY SHRINKING RESOURCES & FINANCIAL INSTABILITY. WHALERS STILL SAILED FROM NEW BEDFORD & NEW LONDON, BUT EACH YEAR A FEW MORE HULKS WOULD BE STRIPPED & HAULED ONTO THE MUD FLATS TO BLEACH THEIR BONES IN THE SUN.

BY THE TURN OF THE CENTURY, MOST WHALING ACTIVITY CENTERED AROUND THE AMERICAN PACIFIC PORTS. A FEW OLD TIME WHALERS MADE THE ARCTIC RUN, BUT THEY WERE FAST BEING REPLACED BY A NEW INNOVATION.. THE STEAM WHALER. THESE SHIPS HAD MANY OF THE QUALITIES OF THE YANKEE DESIGN, BUT COULD NAVIGATE IN HEAVY ICE. THE HUNTERS WERE ADDITIONALY EQUIPT WITH ANOTHER TECHNILOGICAL MARVEL. THE BOMB LANCE, A HARPOON WITH A DEVICE THAT EXPLODED INSIDE THE WHALE. SUPPLEMENTED BY THE SEAL HUNT, THE STEAM FLEET MANAGED TO SCROUNGE A LIVING FROM SEASON TO SEASON. THESE SHIPS WERE MOSTLY BRITISH OR SCANDINAVIAN. THE AMERICANS PRETTY MUCH DROPPED OUT OF THE SCENE, AND SLOWLY OTHERS DID TOO. HOWEVER, NEW EQUIPMENT WERE BEING DEVELOPED. THE SURVIVING WHALERS GREW MORE EFFICIENT.





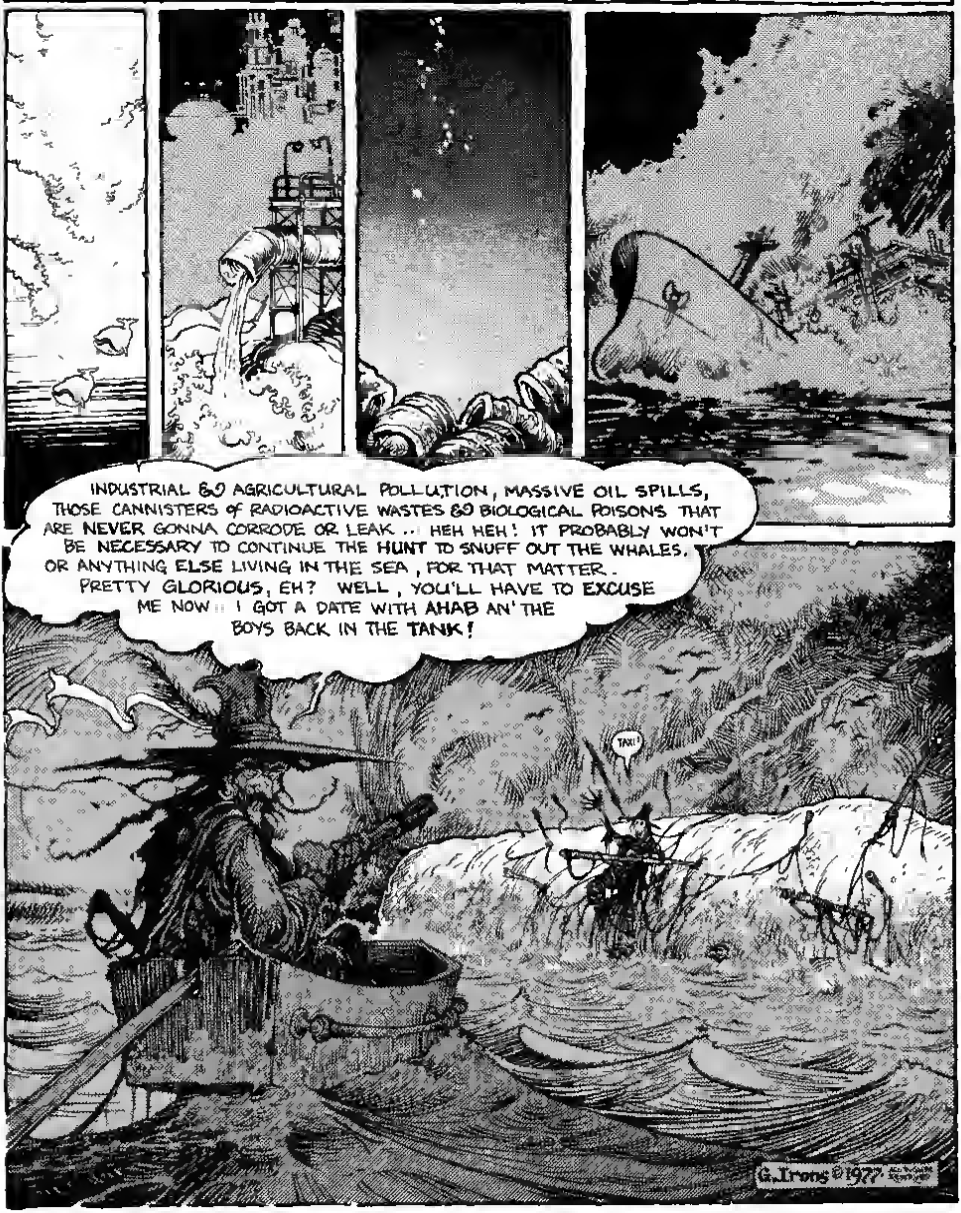


OIL POWERED VESSELS BECAME FAST ENOUGH TO OPEN A WHOLE NEW INDUSTRY.. THE FINBACKS, BLUE WHALES, AND OTHER RORQUALS, PREVIOUSLY CONSIDERED TOO SWIFT TO PURSUE, BECAME POTENTIAL **PROFIT!**

STEAM &

ONCE AGAIN THE INDUSTRY EXPERIENCED A BOOM OF OVERKILL.. BY THE '30'S THERE WERE SOME CONTROLS ESTABLISHED TO PREVENT THE **TOTAL EXTINCTION** OF SOME SPECIES. SINCE WORLD WAR II, CERTAIN SPECIES HAVE RECEIVED **"TOTAL PROTECTION."** UNFORTUNATELY, THE WHALERS HAVE GOT TO **ENDANGER** A SPECIES BEFORE IT CAN BE OFFICIALLY PROTECTED.

EQUIPPED WITH RADAR, SONIC DEVICES, HELICOPTERS, AND CENTRAL HEATING, MODERN WHALERS CAN HARDLY MISS. WITH THEIR PRESENT LEVEL OF TECHNOLOGY THEY COULD PROBABLY ELIMINATE ALL THE WHALES IN A MATTER OF YEARS. SUCH IS THE PRICE OF GLORY AND DOGFOOD. BUT THE HUNT IS ONLY SYMPTOMATIC OF A LARGE SCALE ASSAULT ON THE FOOD/LIFE CHAINS OF THE SEA & THE BIOSPHERE AS A WHOLE.



BOOKS HELPFUL IN PREPARING THIS "WORK" INCLUDE WHALE SHIPS & WHALING by A.C. CHURCH (GREAT RARE PHOTOS), THE STORY OF YANKEE WHALING from AMERICAN HERITAGE, MIND IN THE WATERS edited by J MCINTYRE (SOME INSIGHT INTO WHALES' MINDS & HABITS), VARIOUS ISSUES OF NATIONAL GEOGRAPHIC & AMERICAN HERITAGE MAGS, THE WHALE, MIGHTY MONARCH of the SEA, by J COUSTEAU (for SHOCKING FIGURES ON WHALE POPULATIONS, & LOTS of ECO-INFO), AND MOBY DICK by H MELVILLE. APOLOGIES TO HOWARD PYLE, HARRY CLARKE, & UTAGAWA KUNIOSHI WHOSE WORK WAS DIRECTLY or INDIRECTLY COPPED TO PROVIDE PANELS FOR THIS "COMIC STRIP".

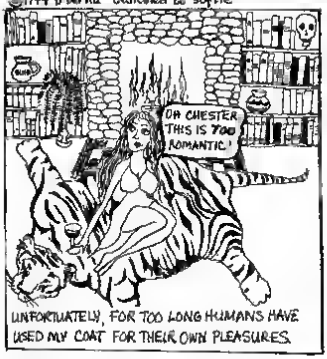
I AM THE BENGAL TIGER. THOUSANDS OF MY FAMILY ONCE ROAMED ALL INDIA

NOW THERE ARE LESS THAN 2,000 OF US IN INDIA, NEPAL AND BANGLADESH



UNFORTUNATELY, FOR TOO LONG HUMANS HAVE USED MY COAT FOR THEIR OWN PLEASURES.

BELIEVE IT OR NOT — IN SOME CIRCLES, TIGER SKINS ARE CONSIDERED TO BE STATUS SYMBOLS

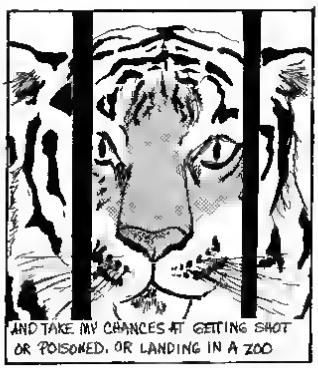
PERHAPS ONE SHOULD LOOK AT IT THIS WAY, WOULD YOU SKIN MORRIS?

ACTUALLY, THE PURPOSE OF THESE GORGEOUS STRIPES IS TO CAMOUFLAGE ME AS I HUNT IN THE FOREST OR RELAX IN MY FAVORITE COOL POND.

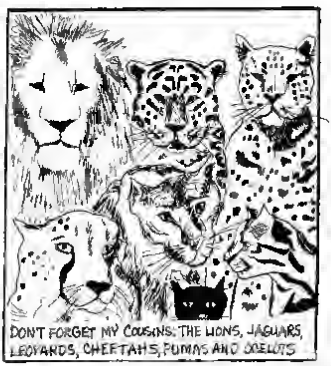
HOWEVER THE FORESTS WHERE I LIVE ARE QUICKLY DISAPPEARING,

AND THE RIVERBEDS ARE BEING DRAINED FOR FARMING.

AS MY PREY DISAPPEARS WITH THE FORESTS AND WATER, I OFTEN RESORT TO LIVESTOCK FOR FOOD



AND TAKE MY CHANCES AT GETTING SHOT OR POISONED, OR LANDING IN A ZOO



DON'T FORGET MY COUSINS: THE LIONS, JAGUARS, LEOPARDS, CHEETAHS, PUMAS AND OCELOTS

the harp seal hunt is the only mass slaying of unweaned, one week old infants still perpetuated in the world today

THESE POOR CREATURES HAVE FALLEN PREY TO MAN'S METAL IN MORE RECENT TIMES...

THE *EUROPEAN LION*, A NATIVE OF AFRICA NORTH OF THE SAHARA — GONE FOREVER SINCE *1922*.

THE *JAMAICAN IGUANA* NEVER CREPT FROM THE *1940's*. THIS HARMLESS DOCILE LIZARD WAS DESTROYED BY MONGOOSES BROUGHT TO JAMAICA TO CONTROL THE RAT POPULATION AND BY THE CITIZENRY WHO WERE FRIGHTENED AND ALARMED BY ITS GROTESQUE APPEARANCE!

BY THE TIME YOU READ THIS, THE *BLUE WHALE*, THE LARGEST CREATURE EVER TO HAVE EXISTED ON EARTH (COMPARE THE IN-SCALE DRAWING OF THE *BRONTOSAURUS*) WILL PROBABLY HAVE PERISHED. THE MIGHTY BLUE WAS HUNTED DOWN SO RUTHLESSLY (PARTICULARLY BY THE *SOVIET* AND *JAPANESE* WHALERS) IN THE 60'S AND 70'S THAT BY *1976* THERE WERE TOO FEW LEFT IN THE OCEAN TO FIND EACH OTHER TO BREED. HIS RELATIVES ARE EXPECTED TO SOON FOLLOW SUIT! ONLY THROUGH THE EFFORTS OF INDIVIDUALS (LIKE YOU) AND THE GROUPS LIKE *GREENPEACE* AND *THE ANIMAL WELFARE INSTITUTE* DO THESE GRACEFUL AND INTELLIGENT GIANTS STAND EVEN A CHANCE.

THE EXOTIC *BALI TIGER* WAS TORN FROM ITS JUNGLES UNTIL ITS LAST ROAR IN *1953*. IN *1973* THERE WERE *FIVE JAVA TIGERS* LEFT! THEY ARE MOST LIKELY GONE BY NOW, TOO.

THE *TASMANIAN WOLF* (OR *THYLACINE*) GAVE FORTH HIS FINAL BAY IN *1966*. HE WAS THE LARGEST CARNIVOROUS MARSUPIAL AND WAS KNOWN TO OCCASIONALLY BOUND ABOUT HIS TERRAIN ON HIS POWERFUL HINDLEGS — KANGAROO-STYLE!

MR. S. DILLON RIPLEY, SECRETARY OF THE *SMITHSONIAN INSTITUTE* HAS PREDICTED THAT WITHIN *23 YEARS* NEARLY *EVERY SINGLE WILD ANIMAL* (*THREE QUARTERS* OF THE LIVING SPECIES) WILL BE *EXTINCT*! WE AT *SLOW DEATH* ARE REGRET TO WITNESS THE IMPENDING *QUICK DEATH* OF OUR FELLOW TERRESTIALS AS THEY FUTILELY STRUGGLE FOR THEIR PAINFUL ... *LAST GASP*!

IT IS THE BALEENA HUNTERS!
WHAT'S THIS PORCILE?
FRIENDS THIS IS AN ANCIENT CIPHER. IT MEANS "PRESERVE THE BALANCE." I TH IT A GOOD SYMBOL FOR OUR WORK.
THE BALEENAS ARE HUNTED AND KILLED BECAUSE THEIR CARCASSES ARE USEFUL FOR A NUMBER OF THINGS ... MOLE FOOD .. HOOF POLISH .. JEWELRY.
WE MUST STAY BETWEEN THE BALEENAS AND THE SHIP.

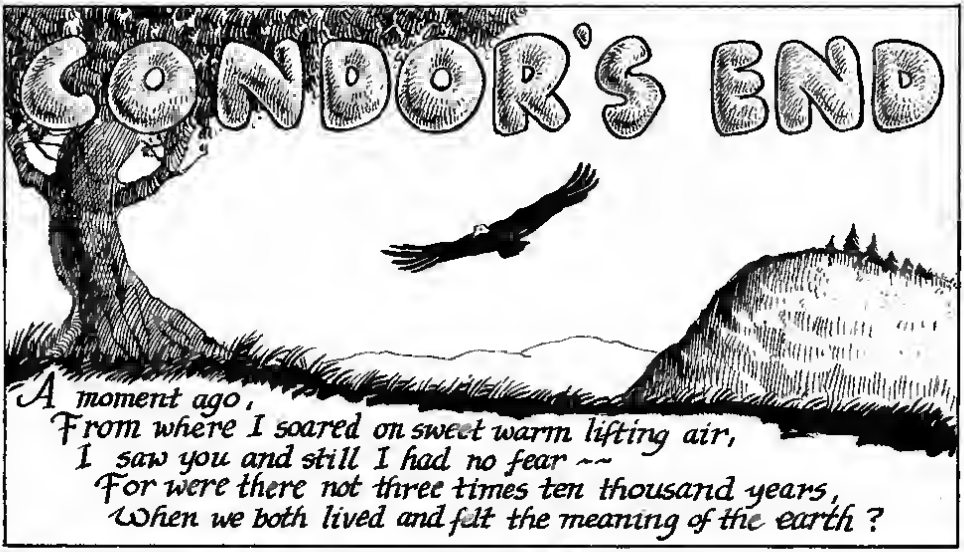
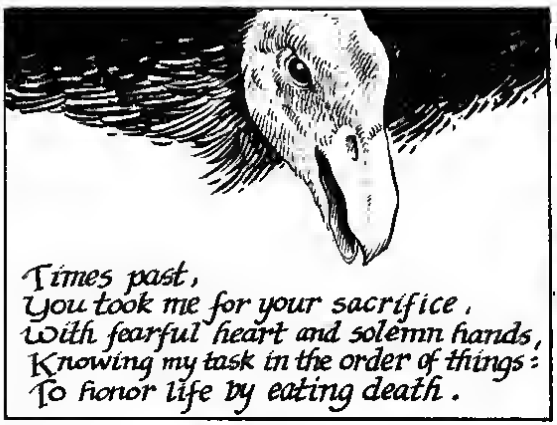
CONDOR'S END



A moment ago,
From where I soared on sweet warm lifting air,
I saw you and still I had no fear ~~
For were there not three times ten thousand years,
When we both lived and felt the meaning of the earth ?



Times past,
You took me for your sacrifice,
With fearful heart and solemn hands,
Knowing my task in the order of things:
To honor life by eating death.

the LAST DINOSAUR

©Roger H Brand '97

THE TUATARA, NICKNAMED THE "LIVING FOSSIL", HAS LIVED FOR BETWEEN 100,000,000 AND 200,000,000 YEARS. NOT A LIZARD, BUT ITS OWN REPTILE BRANCH, IT LIVES ON TWO SMALL NEW ZEALAND ISLANDS — FOR AN AVERAGE OF 100-200 YEARS. THE TUATARA HAS, AMONG OTHER STRUCTURAL ODDITIES, A VESTIGIAL THIRD EYE BETWEEN AND SLIGHTLY ABOVE ITS OTHER TWO CALLED THE "PINEAL EYE." ITS SECRETIONS (LIKE THOSE OF THE PINEAL GLAND, OR "THIRD EYE," IN HUMANS) ARE CHEMICALLY VERY SIMILAR TO LSD.

WITHIN THE LAST 125 YEARS THE MAORIS OF NEW ZEALAND HAVE WIPED OUT MOST OF THE TUATARAS. THE AUTHOR, HOWEVER, DIDN'T LEARN UNTIL NEARLY COMPLETING THIS STORY THAT IN RECENT YEARS NEW ZEALAND HAS MADE PRESERVES OF THE TUATARA ISLANDS, AND THE CRITTERS ARE FLOURISHING—

SO AS YOU READ THIS STORY, JUST PRETEND THE TUATARA IS STILL THREATENED WITH EXTINCTION AND BE GLAD IT REALLY ISN'T.

A COUPLE OF GREENPEACERS ARRIVE IN NEW ZEALAND, TO SAVE THE TUATARA

"THOUGHT TRANSFERENCE"!!
OH, YEAH.. WHY DO YOU THINK THE MAORIS OFFED SO MANY OF US? WE FREAKED THE BE-JESUS OUT OF 'EM WHEN THEY FIRST GOT HERE DIDN'T MEAN TO, BUT.. OH, WELL, LIVE AND DON'T LEARN
THE AFTERNOON PROGRESSES
"LIVING FOSSILS"? YEAH.. THE DINOSAUR AGE.. THOSE WERE THE DAYS! IT WAS GREAT WHEN OUR MIDDLE EYE WORKED PHYSICALLY, I MEAN.. TWO SETS OF BINOCULAR VISION, INSTEAD OF THIS DUMB PUSHUPS BUSINESS...
OH--YOU CA-AN'T-CATCH-ME-E..
HEE HEE! TUIE' SURE DOES KNOW HOW TO RANK ON OL' REXIS BUNS!!
..BUT THE EONS COME AND GO.. YOU GET SORT OF PHILOSOPHICAL AFTER 100,000,000 YEARS...
HUH?? YOU'RE 100,000,000 YEARS OLD?!
COURSE NOT. COLLECTIVE RACIAL MEMORY.--GOOD LORD, KIDDO, I KNOW I'M GETTING ON IN YEARS, BUT REALLY..!
FINALLY
OKAY.. IF YOU GUYS DON'T WANT TO COME, WE WON'T MAKE YOU.. BUT I WISH YOU'D RECONSIDER.
NAW.. KEEP ON WITH WHAT YOU'RE DOING, IT'S A GOOD THING, BUT.. WE'RE HAPPY HERE. IT'S THE ONLY PLACE WE KNOW, AND WE'RE TOO OLD AND CRUSTY TO CHANGE BESIDES, IF IT'S FINALLY OUR TIME TO GO--WELL, SO BE IT.. BY NOW WE'RE ALL PRETTY FATALISTIC..
--BESIDES THAT, BEING DEPENDENT ON HUMAN CIVILIZATION ISN'T VERY APPEALING.. AFTER ALL, WE'RE NOT THE ONLY SERIOUSLY ENDANGERED SPECIES IN THE WORLD, YOU KNOW! --WELL, GODSPEED..
WHAT'D HE MEAN BY THAT?
END

and even in Central Java...
the Stink Goes On...
THE HUMANS ARE GETTING CLOSER AGAIN. THEY'RE BOUND TO SEE US!
DON'T THEY EVER STOP?
WE GIANT SKUNKS HAVE BEEN HERE SINCE BEFORE THEY EXISTED! CAN'T THEY FIND A PLACE OF THEIR OWN?
AH, WELL WE'D BETTER MOVE ON.
AGAIN THIS YEAR? I CAN'T STAND IT!
NELLIE
THEY HAFTA STOP! I'M SICK AND TIRED OF HIDING. I'M GOING TO TRY AND MAKE FRIENDS.
WHAT IS THAT BEAST? IT'S THE SIZE OF A LARGE DOG!
Hi!
IT COULD KILL OUR SHEEP! LET'S GET IT!
I'M SCARED!
LOOK! IT CAN CLIMB TREES!
WE'LL GET IT SOME HOW. WHAT A PRIZE TO BRING TO MARKET!
AND, OF COURSE, MAN PREVAILS.
BY THE GREAT *SASQUATCH, THEY'VE KILLED NELLIE!
*A.K.A. BIGFOOT, YETI, ABOMINAL SNOWMAN, and JAVA MAN.
SHE WAS A FOOL TO CONFRONT THEM.
NOT AT ALL! WE'RE ALL TIRED OF LIVING IN CONSTANT RETREAT FROM THE HUMANS. NELLIE KNEW THAT ANY SOLUTION DEPENDS ON TELLING THEM WE'RE HERE AND SHOWING THEM WE CAN LIVE WITH MUTUAL RESPECT!
SO HOW DO WE GIANT SKUNKS LET THEM KNOW WE'RE HERE?
WE MAKE A BIG STINK!!
RIGHT ON!
IT'S ABOUT TIME!
REMEMBER NELLIE!
WE'RE WITH YOU ALL THE WAY!
CENTRAL JAVA ANIMAL LOVERS' SSOCIATION
THOSE IGNORANT PEASANTS HAVE KILLED ANOTHER GIANT SKUNK.
CAN'T THEY REALIZE THIS IS A RARE, UNIQUE ANIMAL? I SO WISH THEY WERE INCLUDED ON THE LIST OF PROTECTED SPECIES.
WELL, WE'LL WRITE AGAIN TO THE U.N., PREPARE PRESS RELEASES* ABOUT THE INCIDENT... LET'S GET ON IT RIGHT AWAY!
BY THE WAY, HAVE YOU NOTICED A STRANGE SMELL AROUND HERE TODAY?

BALLAD OF THE LOST

STORY & ART: DENNIS ELLSWORTH '77 ©

OUR STORY BEGINS A LONG TIME AGO OR MAYBE TOMMORROW... ON A DISTANT STAR... THERE WAS A RACE OF BEINGS LIVING IN THE ICY REGIONS... A TRIBE KNOWN AS *THE NAVIGS*...

THE NAVIGS, WERE A WISE, GENTLE, PEACE LOVING LOT...

FOR IN ALL THEIR YEARS, THE NAVIGS HAD NEVER BEEN IN A WAR... THEY LIVED IN HARMONY WITH EACH OTHER...

AND WITH THEIR NATURE...

EACH YEAR THE ELDERS OF THE TRIBE HELD A CEREMONY IN WHICH ONE MALE MEMBER WAS SELECTED FOR A TWO PART TASK... A TASK NOT EXPLAINED OR DEFINED...

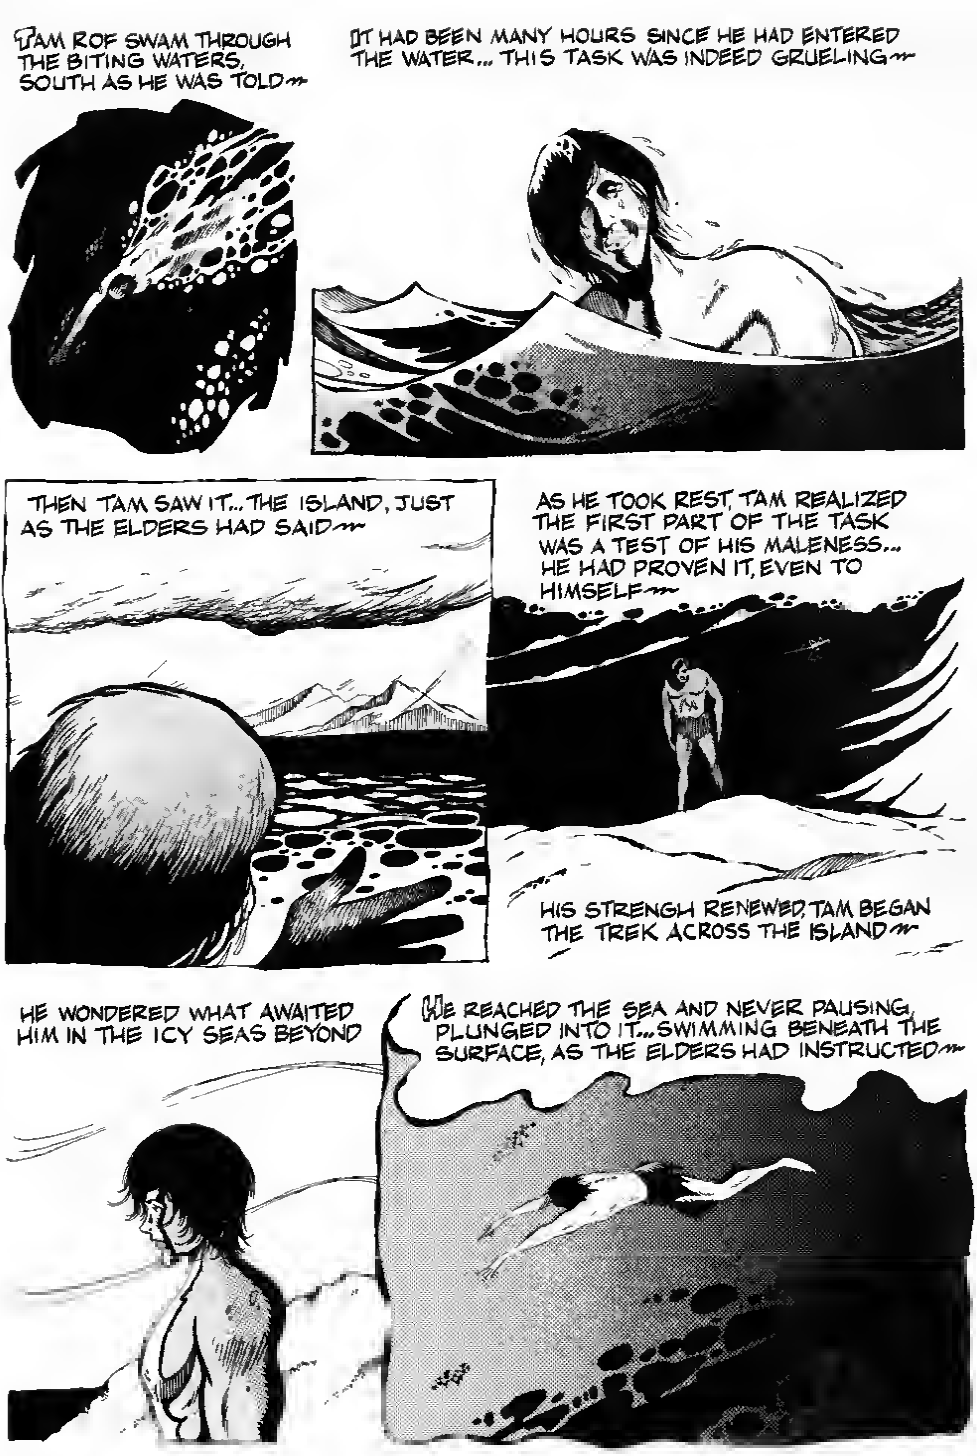
FOR THE NAVIGS DID NOT QUESTION THE WISDOM OF THE ELDERS...

HE WAS TO SWIM THE ICY WATERS, SOUTH TO A SMALL ISLAND. ONCE THERE HE WAS TO TRAVEL ACROSS LAND UNTIL HE AGAIN REACHED THE SEA...

THEN HE WAS TO SWIM SOUTH... IT WAS DURING THIS TIME HE WOULD RECEIVE AN ANSWER, A REASON FOR THE TASK...

THIS YEAR, THE SELECTION WAS *PRINCE TAM ROF*... HE HAD BEEN CHOSEN FOR HIS COURAGE, STRENGH AND PRESENCE OF MIND... WHEN THE APPOINTED TIME ARRIVED, TAM ROF DOVE INTO THE SILENT ICE BLUE WATERS AS THE TRIBE WATCHED IN QUITE RESPECT...

PRINCE TAM ROF



TAM ROF SWAM THROUGH THE BITING WATERS, SOUTH AS HE WAS TOLD...
IT HAD BEEN MANY HOURS SINCE HE HAD ENTERED THE WATER... THIS TASK WAS INDEED GRUELING...
THEN TAM SAW IT... THE ISLAND, JUST AS THE ELDERS HAD SAID...
AS HE TOOK REST TAM REALIZED THE FIRST PART OF THE TASK WAS A TEST OF HIS MALENESS... HE HAD PROVEN IT, EVEN TO HIMSELF...
HIS STRENGH RENEWED, TAM BEGAN THE TREK ACROSS THE ISLAND...
HE WONDERED WHAT AWAITED HIM IN THE ICY SEAS BEYOND
WE REACHED THE SEA AND NEVER PAUSING, PLUNGED INTO IT... SWIMMING BENEATH THE SURFACE, AS THE ELDERS HAD INSTRUCTED...

TAM MOVED ON THROUGH THE DIMNESS~
THEN! LO! HE SAW IT... A FORM IN THE WATERS AHEAD OF HIM~
A FORM... A FEMALE FORM... IT WAS THEN TAM KNEW!
HE KNEW! THE REASON FOR IT ALL! SHE WAS FROM THE TRIBE HE HAD ONLY HEARD OF IN HIS YOUTH, FROM THE OTHER SIDE OF THE STAR... HE KNEW THE REASON... TOGETHER THEY WOULD BEGIN A NEW RACE, THE BEST OF BOTH! IT ALL MADE SENSE TO HIM NOW, IT WAS AS IT SHOULD BE~
THEIR HANDS REACHED TOWARD EACH OTHER...
AND THEN, FROM ABOVE...
KA CHUNG!
KA CHUNG!
THE LIFELESS BODIES FLOATED TO THE SURFACE
YOU STAY AND MARK THESE TWO... WE'LL SEE IF THERE'S MORE!
AYE!
